

5W40 excellent

Lubricare 5W40 excellent motor oil is a synthetic motor oil.

This is a full synthetic lubricant based on carefully selected very high quality base oils and high quality additives of the latest generation, specially designed to meet the strict requirements of manufacturers. This provides an excellent fluidity at low temperatures, a very low resistance when starting, an exceptional viscosity index and a very high thermal stability.

applications

A universal, special composed synthetic motor oil recommended for use in petrol and diesel engines, with or without turbo-charging, in passenger cars and delivery vans for which the most modern specifications are required.
