

MICHELIN Mascott Man (outdoor use) 42cm

Ref. Synchro : 930200

Ref. manufacturer : MI1357

» Easy to assemble and place on the front of any truck as shown in the images included with its simple screw in place base and adjustable arm.

» Command the highways with the iconic Michelin Man on the front of your truck, for wherever the road takes you. This official, authentic Michelin Man Mascot is back by popular demand!

Since the 1950's, the Michelin Man has been placed on the roof of trucks as a guardian angel, watching over drivers during their far-flung journeys to the four corners of the globe. Proudly sat above the cabin, the large figurine has become a sought-after collector's item.

Over the last 120 years, the Michelin Man's appearance has moved with the times; with this new version reflecting his latest look. Supplied with brackets for affixing to the vehicle, this figure is made from polypropylene whilst the bracket is made from cold rolled steel with stainless steel fixings.
